

Promoting Women's Golf since 1928

## **DIABETES TROPHY**

This annual event was introduced in 1998 to raise funds to support the Diabetes Association and to create awareness of diabetes.

The trophy was donated by the Diabetes Association.

### **CONDITIONS OF PLAY**

This event is an 18 hole stroke play competition and is open to all women who hold a current GA handicap and are members of an affiliated club within the CSGA.

The qualifying round is to be played at club level in conjunction with an 18 hole stroke round between March and October inclusive.

The three best nett scores from either a midweek and weekend competition qualify to play in the final. Players may only contest in one qualifier. NB: The nett results are not based on Divisions (grades) – just the three best nett scores overall.

The Final will be played in conjunction with the CSGA Opening Day the following year. The Best Nett score overall from an eligible player will win the Trophy.

Entry Fee is \$3.00 per entry and all cheques should be made payable to CSGA by post or it can be paid via Direct Debit to the CSGA bank account. Contact [payments@csga.asn.au](mailto:payments@csga.asn.au) for postal address or bank account details.

A copy of the qualifying score cards should be returned to the CSGA Secretary via email or post with proof of payment, by 30<sup>th</sup> November. Contact [secretary@csga.asn.au](mailto:secretary@csga.asn.au) for postal address details if required.
